

Upholstery Cleaning Codes

Cleaning up after a spill can be a relatively easy process if you know how to approach the stain. Upholstery fabrics react differently to stains and cleaning products, so knowing how to clean the specific fabric on your piece is a huge advantage. Every upholstery fabric has a universal cleaning code with specific instructions on cleaning. If you need help finding your specific cleaning code reach out to your Design Consultant.

S Spot clean only with a water-free dry cleaning solvent. Pretest a small, inconspicuous area before proceeding. Do not saturate. DO NOT USE WATER. Pile fabrics may require brushing with a non-metallic, stiff bristle brush to restore appearance. Cushion covers should not be removed and dry-cleaned. To prevent overall soiling, frequent vacuuming or light brushing with a non-metallic, stiff bristle brush to remove dust and grime is recommended. When cleaning a spill, blot immediately to remove spilled material. Clean spots or stains from the outside to the middle of the affected area to prevent circling. Overall cleaning by a professional furniture cleaning service only is recommended.

W Spot clean only with water-based shampoo or foam upholstery cleaner. Pretest for color loss and fabric compatibility. Do not over wet. Use professional upholstery cleaning service for overall soiling.

WS Spot clean with upholstery shampoo, foam from a mild detergent, or mild dry cleaning solvent. Pretest a small, inconspicuous area before proceeding. Do not saturate. Pile fabrics may require brushing with a nonmetallic, stiff bristle brush to restore appearance. Hot water extraction or steam cleaning is not a recommended cleaning method. Cushions casings should not be removed and laundered or dry-cleaned. To prevent overall soiling, frequent vacuuming or light brushing with a non-metallic, stiff bristle brush to remove dust and grime is recommended. When cleaning a spill, blot immediately to remove spilled material. Clean spots or stains from the outside to the middle of affected area to prevent circling. Use a professional furniture cleaning service when an overall soiled condition has been reached.

X Cleaning only by vacuuming or light brushing with a non-metallic, stiff bristle brush. DO NOT USE ANY WATER OR SOLVENT BASED CLEANER.
